Ceco Door Stainless Steel doors are beautiful and functional — and ideal for clean room environments, and other commercial, institutional, and high-design environments.

Select A Beautiful High-Style Finish

- Brushed Satin
- Fine Satin
- Mill
- XL Blend
- Mirror

Select A Durable Door, Safe and Secure

- Available with 18-gauge through 14-gauge face skins.
- Stanford polystyrene core with visible lock seam edge.
- Optional steel stiffened and honeycomb cores.
- A variety of frames from welded corners to custom frame profiles.
- The most commonly used stainless alloy (No. 304) or an even more durable one for corrosive environments (No. 316).
